

Wheels to Water Information

- Be prepared for your field trip
- Be ready and waiting for your Metro bus at the specified location and time for pick-up from school and your field trip site
- Confirm that your return time to school allows 20-30 minutes cushion before school busses leave to allow for traffic, etc. that would result in an unexpected late return
- Be respectful of Metro property and rules – use indoor voices, no eating or drinking, take all trash off the bus with you, thank your bus driver
- Metro busses will not always stay at the field site – take all belongings off the bus with you unless told otherwise by the driver
- If your bus stays at your field site, you will be separated from it during your field trip – take all necessary medications, inhalers, rain gear, lunches, etc. off the bus with you
- Chaperones are required and are be expected to encourage proper behavior and etiquette
- A minimum of 24 hours cancellation notice required.
- Enjoy your field trip! If you have questions use the contact numbers/emails listed below.

King County Wastewater Treatment Division and Metro Transit provide free transportation for school groups to wastewater related field programs in King County. The supported field programs provide information that helps protect our regional water systems, our local environment and the health of our communities.
